

## **Greetings Eagle Chapter Members and Friends and Happy Father's Day**

We are so honored to have as our guest speaker, Major General (Select) Andrea D. Tullos at the Eagle Chapter Luncheon on July 11. Please see details below to RSVP. We only have 60 seats available at this venue on a first come first serve - RSVP basis.

May, as is the case every year, is our most busiest month of the year. This May it even got more busier with additional events that we participate in the DC area during Police Week. It is a tremendous honor for me to represent Eagle Chapter as people reach out to me to show their appreciation for the contributions that we make in remembering our Airmen, our military traditions and families.

I also want to thank those who voted for allowing me the tremendous honor of being unanimously voted to my next term. I write you today as the Eagle Chapter Chairman and CEO-Elect. My goal next term is to find a successor that can step us up a notch - to expand our ability to provide even greater service to our Airman, their families and our traditions. I look forward to your help in this regard.

Thank-you for your continuing support. Happy Father's Day!

Very respectfully,

Lee

## **Eagle Chapter "Guardmount Honor Flight" National LE Officers Memorial**

Every year, Eagle Chapter highlights the Security Forces Airmen whose names appear on the National Law Enforcement Officers Memorial. We started simply with a wreath. I've always wanted to more especially when I encounter other law enforcement professionals who don't know that the Air Force has a police force. Last year, we added a memorial plaque above the location where the Airman's name is inscribed on the memorial wall. See the

Technical Sergeant Roberts example below.

**ISIAH J. ROBERTS**  
United States Air Force - Security Forces

**End of Watch:** April 17, 1969

**Rank:** Technical Sergeant **Age:** 37

**Years of Service:** 19 **Cause:** Gunfire

**Description:** Sergeant Roberts and Sergeant Reynolds responded to a domestic disturbance on George Air Force Base, San Bernardino, California. The suspect (also military) opened fire on the Air Force Policeman, killing Sergeant Roberts and wounding Sergeant Reynolds. Sergeant Roberts was assigned to the 831st Security Police Squadron at George AFB CA.

This year, I did something different. This is where I need your feedback. This year, I arrived at the memorial early in the week and organized the individual memorials for each of the Airmen as a Guardmount flight awaiting inspection, our Guardmount Honor Flight.

I centered Captain Morris (added this year) and Master Sergeant Harmon (died 2002) on the flight. We always included the US flag along with a Defensor Fortis Flag with our wreath. In the Guardmount Honor Flight arrangement, I centered the wreath at the back of the flight and placed the flags at the first and second squads so that Technical Sergeant Simons was the guidon bearer for the US Flag and Technical Sergeant Roberts used the Defensor Fortis flag as the guidon bearer for the second squad.

I'll discuss this at our luncheon. Do we continue with the Eagle Chapter Guardmount Honor Flight or do I return to placing the memorials at each individual location Airman's location at the memorial? I look forward to your discussion. When I went to pick up the display at the end of the week, someone had taken Captain Morris off of the center and placed it to the right of MSgt Harmon's memorial. I'll have these at the luncheon at the Pentagon. I look forward to your ideas.

## Police Week's Candlelight Vigil US Capitol

As you know, we helped two units to have two Security Force Airmen added to the National Law Enforcement Officers Memorial this year - Captain George Morris and Staff Sergeant Todd "TJ" Lobraico. It was a great honor to experience the largest turn out of Security Forces Airmen ever. Todd's unit, the 105th SFS, showed up in force along with other SF units including the 11th Security Forces Group that provided honor guard support.

Below, it was my honor to meet TJ's mother, Lt Col Linda Rohatsch, and his father, Senior Master Sergeant Todd senior at the Candlelight Vigil in Washington DC where officials read TJ's name along with our other 2018 candidate, Captain George Morris in ceremony to officially add them to the National Law Enforcement Officers Memorial.

A special thanks to Master Sergeant Danny Rivera (below) for his patience in making this the quickest application that we've ever done! It was great working with Danny who also attended the Candlelight Vigil ceremony in Washington DC at our Nations Capitol. The Morris family could not attend.

Thanks to Mike Garcia for his gracious support in providing these and other photos shown in this newsletter.

## New Top Cop - Unofficial - Brig Gen (Sel) Roy Collins

I have been too busy to ask for official confirmation. I hear from a very good source that Col Roy Collins has been nominated for Brigadier General and will serve as the next Director of Security Forces. He is currently serving as the Chief, Strategic Planning Integration Division, Deputy Chief of Staff, Plans and Programs, HQ USAF, Pentagon.

[Click here](#) for the only bio that I have of him at his former job as 37th Training Wing Commander - the route that Maj Gen (Ret) Hertog took to assume the top cop job.

## Eagle Chapter Memorial Day Activities

Our premier event on Memorial Day is participating in the wreath laying ceremony at the Women's Memorial. When there were no volunteers coming forth, I reached out to Police Chief Woody Kusse at the Pentagon Police! The rest is history. Chief Kusse sent the word out and Officer Christine Hernandez volunteered to assist us. In the photo above, she lays the wreath during the ceremony. Thank-you Christine, Chief Kusse and Police Lt Carol Gutierrez who made Officer Hernandez's appearance possible.

One of our traditions we've added to the wreath laying program is to read the names of the four Security Forces women Airmen who have died while serving and placing rose petals in the memorial fountain in their honor. **Above, Christine reads their names - Airman Laura Lucas, Airman Erin Frasier, Senior Airman Elizabeth Jacobson, and Senior Airman Kcey Ruiz.**

Officer Hernandez and Police Lt Gutierrez are former Air Force Security Forces Airmen who are in the process of joining our association - now that they know about it! Thank-

you ladies. Your professionalism and eager support is greatly appreciated!

Our other activity is to place Defensor Fortis flags on the graves of Security Forces Airmen, family members, SF KIA who are interred at Arlington, Hampton National (Ploebus) and Quantico - added this year.

Below, **Eagle Vice Chairwoman, Tiedwater Wing (Langley), Rachel Vis**, placed the DF flag and flowers on the tomb of Airman Richardson who died while serving at Bolling AFB DC. Thanks to Rachel who was recovering from knee replacement surgery but found her way to visit Richardson's internment.

### Eagle Chapter Board Meeting July 3, 2019

A final Happy Father's Day Recognition. This year, two of our board members have shared a very proud father moment with me that I'm now sharing with our readers for this **Father's Day**:

First, Senior Master Sergeant Danny Gregory, Vice Chairman Eagle Chapter Delaware Wing recently attended his son's graduation from basic military training in San Antonio. The photo shows Danny (center) with his son, the recent graduate and his

daughter at left who is also serving our Air Force. Happy Father's Day Danny!!

Second, **Technical Sergeant Chris Walker, Eagle Chapter Secretary**, became our newest father. He and Shauna Perkins recently gave birth to - Amelia Leigh Walker. Chris is serving at FE Warren and returned here briefly to attend the birth of their first child.

**Congratulations to both of our dads and again Happy Father's Day.**

A final RSVP reminder - click here if you are interested in attending the Eagle Chapter luncheon that will be held on July 11 at the Pentagon. Please sign up by June 27.
